SCENIC ROUTE SHOP HOP RULES

How to Hop

Whether you are "in it to win it" or are just "going along for the ride" the Scenic Route Shop Hop is so much fun! Hundreds of dollars worth of prizes are presented each year, including sewing machines, quilt kits and gift baskets! Here are the rules to make the most out of your Hop.

- 1) For your convenience, we have provided a basic map that shows where the shops are located in general. For specific directions to individual shops, put the Participating Shops addresses in Map Quest, Google or GPS your route. You can visit as many shops as you wish, but you must visit and have all eight shops stamp to be entered into the Grand Prizes drawings.
- 2) Start at one of the shops, pick up your free passport and get the shop stamp. One passport per household. Oh, and don't forget your free gift for getting stamped! Shop Hoppers must visit the shops themselves to get a stamp; we cannot stamp a friend's passport that is not present.
- 3) Children under the age of 8 are not eligible for passports or prizes.
- 4) Travel in groups of four or more hoppers and you'll be a "Four-Pack." Each member of a four-pack will get a special prize at each shop. Please wear something that identifies each person as part of your "Four-Pack." You may get really creative with quilted badges, bags and more! Please note that in order to be a "Four-Pack," you must be traveling together.
- 5) Every hour each shop will have a drawing for some amazing door prizes. You must be present to win.
- 6) The Shop Hop feature fabric is in our shops during the hop. Each shop displays items from this fabric. Hop fabric normally retails for \$11.95 per yard but will be sold to shop hoppers for \$11 per yard during the hop.
- 7) Each shop has designed a unique block kit for \$8 that you purchase as you go from shop to shop. Each block kit contains the pattern with at least 1/2 yard of fabric and makes one 12" finished block. Collect all 8 block kits to make one or more beautiful projects to commemorate your Scenic Route Shop Hop experience! Bring your completed project(s) using all 8 blocks with you on next year's hop to receive a 20% storewide discount at every shop. Discount does not apply on the shop hop block kit.
- 8) Don't forget to complete the Scavenger Hunt in each shop and have each clue stamped with the shop stamp to be entered in a drawing for \$200 in Gift Certificates (\$25 from each shop)!
- 9) Our Shop Hop covers 3 full days and 1 half day this year with extended shop hours for your convenience – 34 hours of shop hopping fun!
- 10) Gift certificate prizes must be used by December 31, 2017. Other prizes must be picked up at the shop who called to notify the winner by July 31, 2017.
- 11) When you're done, leave your passport at the last shop you visit to be included in the Grand Prizes drawings! Make sure you have filled in all your information on the back side of the passport booklet and received each shop stamp to qualify for the GRAND PRIZES!

Have fun and we can't wait to see your projects next year!
